## DETAILED ACTION

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on June 24, 2010 has been entered.

### ***Allowable Subject Matter***

2. Claims 45 and 47-64 are allowed.
3. The following is an examiner's statement of reasons for allowance:

**In reference to claims 45 and 47**, the prior art does not teach nor suggest a keyboard unit comprising a group of keys surrounding center in an array extending in two mutually transverse directions and adapted to be operable by a single finger with a playing area of maximum diameter 1.5 cm so that the single finger can operate a plurality of at least three of said keys together. Although the prior art does disclose a keyboard unit having a similar orientation for the keys, none suggest the size of the keys to be small enough to have a playing area of maximum diameter 1.5 cm. Changing the size of the keys disclosed in the prior art was found to be non obvious as the sensors and circuitry involved would also have to be significantly reduced in size,

Art Unit: 2832

while remaining close enough for operation of at least three keys together by a single finger. Without using improper hindsight from applicant's specification, no reasonable motivation was found to make such adjustments to the prior art.

**Claims 48-64** depend on allowed claims 45 or 47 and therefore inherit all allowed claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to CHRISTOPHER UHLIR whose telephone number is (571)270-3091. The examiner can normally be reached on Monday-Friday 8:30am-4:30pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Elvin Enad can be reached on 571-272-1990. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
